

Our Focus is on You!

From start to finish, Universal Church Directories ensures that you, your volunteers, and your families are given the respect and attention necessary to meet your needs.

Our Church Consultants are with you to provide support every step of the way. Their personal assistance will guide you through:

- An *Organizational Meeting* to prepare for photography
- A *Design Meeting* to create the directory, and most importantly, to answer any and all questions that may arise.
- Our portrait consultants and photographers create a fun, relaxed environment for photography with absolutely **NO PRESSURE** placed upon the families to purchase.
- Finally, our office staff goes above and beyond to ensure that every church and every family is **100% Satisfied** with the directory and their portraits.

Ministry Minded, Family Focused
