Privacy Policy

Universal Church Directories is committed to safety of the church and their families. While Universal will only collect what information is voluntarily given to us from families such as name, address, phone number and email for the sole purpose of use in the directory, robocalls and the My UCD APP. Any information given is strictly confidential and is not sold or leased to third parties. Once Universal has loaded this information to the directory and/or APP, the administrator at the church is the only person that controls who gets what information. The My UCD APP has shortcuts to view online streaming, online giving, calendar of events, and announcements these are all direct URLS's from the churches website.

Sincerely,
Jeffrey E. Bellew
